

REMARKS

Reconsideration of this application, as amended, is respectfully requested.

Initially, the Applicant would like to thank the Examiner for the indication that all of the elected claims of record are indicated as allowable.

In the Official Action, the Examiner requests that the withdrawn claims 23, 36, and 38 must be canceled. However, the Examiner notes that claim 36 appears to be properly dependent upon allowable claim 33 and if Applicant concurs, claim 36 will also be allowed.

The Applicant concurs with the Examiner's indication that claim 36 should also be allowed. Claim 36 was inadvertently omitted from the election of April 4, 2005. The Applicant respectfully submits that claim 36 is part of the elected Species II and is readable on Figures 14-20. Thus, claims 23 and 38 have been canceled and the withdrawn designation of claim 36 has been replaced with a previously presented designation. Therefore, Applicants respectfully request that claim 36 be reinstated and allowed along with claims 22, 28-35, 37, and 39-42.

In view of the above, it is respectfully submitted that this application is in condition for allowance. Accordingly, it is respectfully requested that this application be allowed and a Notice of Allowance issued. If the Examiner believes that a telephone

conference with Applicant's attorneys would be advantageous to the disposition of this case,
the Examiner is requested to telephone the undersigned.

Respectfully submitted,
